**Job Title:** .2 FTE Speech and Language Pathologist (Grades PreK-12)

Fishers Island is a small community that is part of Suffolk County, NY. Accessible only by boat from Southeastern Connecticut, our PreK-12 school has an approximate annual enrollment of 65 students. The island is home to approximately 250 year-round residents and our school population is a mix of island residents and tuition-paying Connecticut residents who commute daily. The Fishers Island Union Free School District Board of Education is seeking a highly qualified 0.2 FTE SLP Teacher to begin in the 2022-2023 school year.

**Responsibilities:**

- Provide Speech and Language services to identified students in grades PreK-12 and generate reports, as needed.
- Screen students, as needed, for Speech and Language Services per the district's Committee of Special Education (CSE).
- Generate reports and attend CSE meetings for identified students.
- Continuously improve professional practice, model lifelong learning, and exhibit school leadership.

**Requirements-** Current NY State Certification or Eligibility for NY State Certification Required.

**Benefits-** Highly competitive salary and benefits per teacher contract.

**Start Date-** July 1, 2022

**Location of Assignment-** Fishers Island, NY

**Applications-** Full Applications Due by May 13, 2022. Interested, qualified applicants should email a cover letter, resume, transcripts, certification, and 3 letters of reference to: Principal Christian Arsenault at [SLPApplications@fischool.com](mailto:SLPApplications@fischool.com).
